## Glory Red Sea Liveaboard Experience

### Cassiopeia Glory

– Adventure and  
Luxury Meet on the  
Red Sea

48 m long · 4 levels ·  
capacity for 32–36  
guests

Jacuzzi · bar · sun deck ·  
covered and open spaces

# Sea. Silence. Everything is in harmony.

---

For truly special holidays, we designed a truly special vessel—one that, in both size and layout, does not follow the conventional dive-boat style and traditions. Instead, it blends yacht design elements with outstanding guest comfort.

It can still be used as a sports vessel, yet it also offers the opportunity to enjoy a luxury holiday on the Red Sea.

Special moments below the surface and on deck alike.

Whether it's an unforgettable diving adventure, peaceful relaxation, or a unique marine experience, our week-long liveaboard services offer first-class hospitality, professional guidance, and breathtaking destinations.

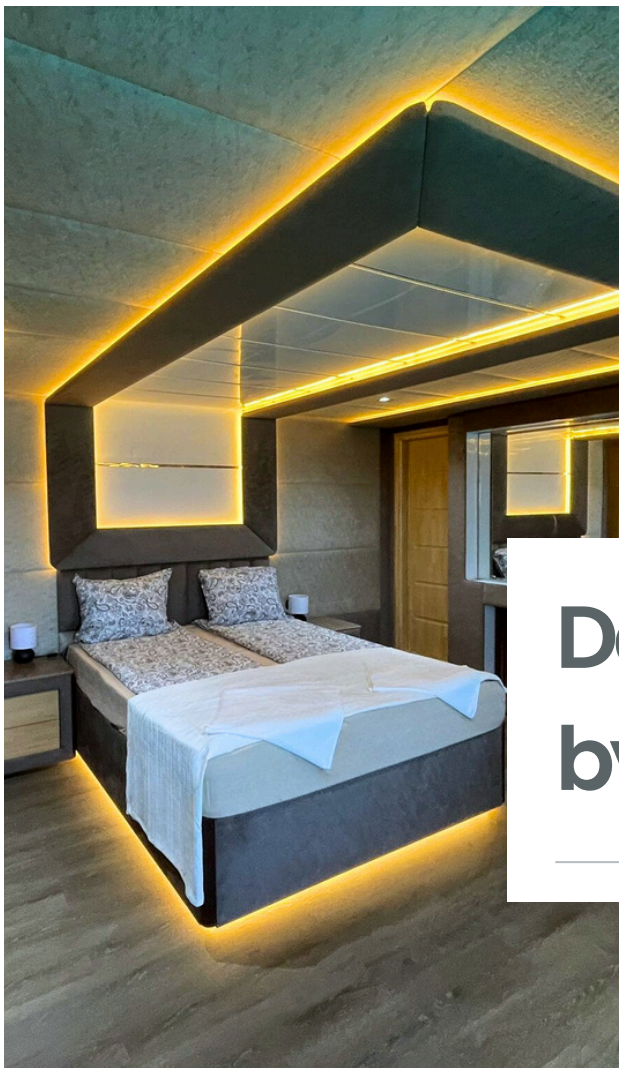

# Why is this vessel different?

## What makes Cassiopeia Glory special?

- + Mini seawater pool and freshwater jacuzzi
- + The panoramic window in the suite is truly unique
- + A shisha room and a dedicated office space are also available
- + Convertible twin beds in most cabins – ideal for couples and friends
- + 6 cabins with private balconies – enjoy your morning coffee with a view
- + The dive deck is not on the main deck but recessed below, with showers and air conditioning
- + Every room features a different color scheme and unique interior design

*Exclusive Suites*  
– with private views

# Deadlines replaced by waves.

## Main Deck Suites and shared spaces

- + **2 suites:**  
double bed, spacious bathroom, lift-up bed with storage, lounge area, floor-to-ceiling panoramic windows
- + **Salon:**  
TV, bar, venue for briefings
- + **Restaurant:**  
buffet-style breakfast, lunch, and dinner
- + **Office:**  
ideal for laptop-based work
- + **Shisha room:**  
oriental atmosphere for evening relaxation

*The heart of the suites is the floor-to-ceiling glass wall, through which the sea seems to move into the room itself. The stunning view makes every moment extraordinary.*

*In the restaurant of Cassiopeia Glory, we welcome our guests three times a day with a generous buffet selection, offering fresh, varied, and plentiful dishes.*

*The bright, friendly dining area is directly connected to the kitchen, ensuring meals are always served hot.*

# Cabins with a View – the sea just one step away

## Upper Deck Cabins

- + 6 balcony cabins:  
for private relaxation
- + Covered bar
- + Captain's bridge with  
an open sun deck in front

*Just you, the water,  
and endless blue.*

Special moments  
below the surface and on deck alike.

*Spacious, flexible cabins  
– designed with comfort in mind*

## Lower Deck Cabins

- + **4 twin cabins:**  
convertible beds with storage
- + **2 cross-bed cabins:**  
one bed with storage
- + **2 double-bed cabins** in the bow
- + All cabins are equipped with  
**private bathrooms** and  
**air conditioning**

*The double-bed cabins located in the bow offer intimate, peaceful relaxation for couples.*

*Private bathrooms and climate control ensure maximum comfort.*

*The twin cabins are special in that the beds can be separated or pushed together as needed*

*—an ideal choice for both couples and friends who wish to relax in comfort.*

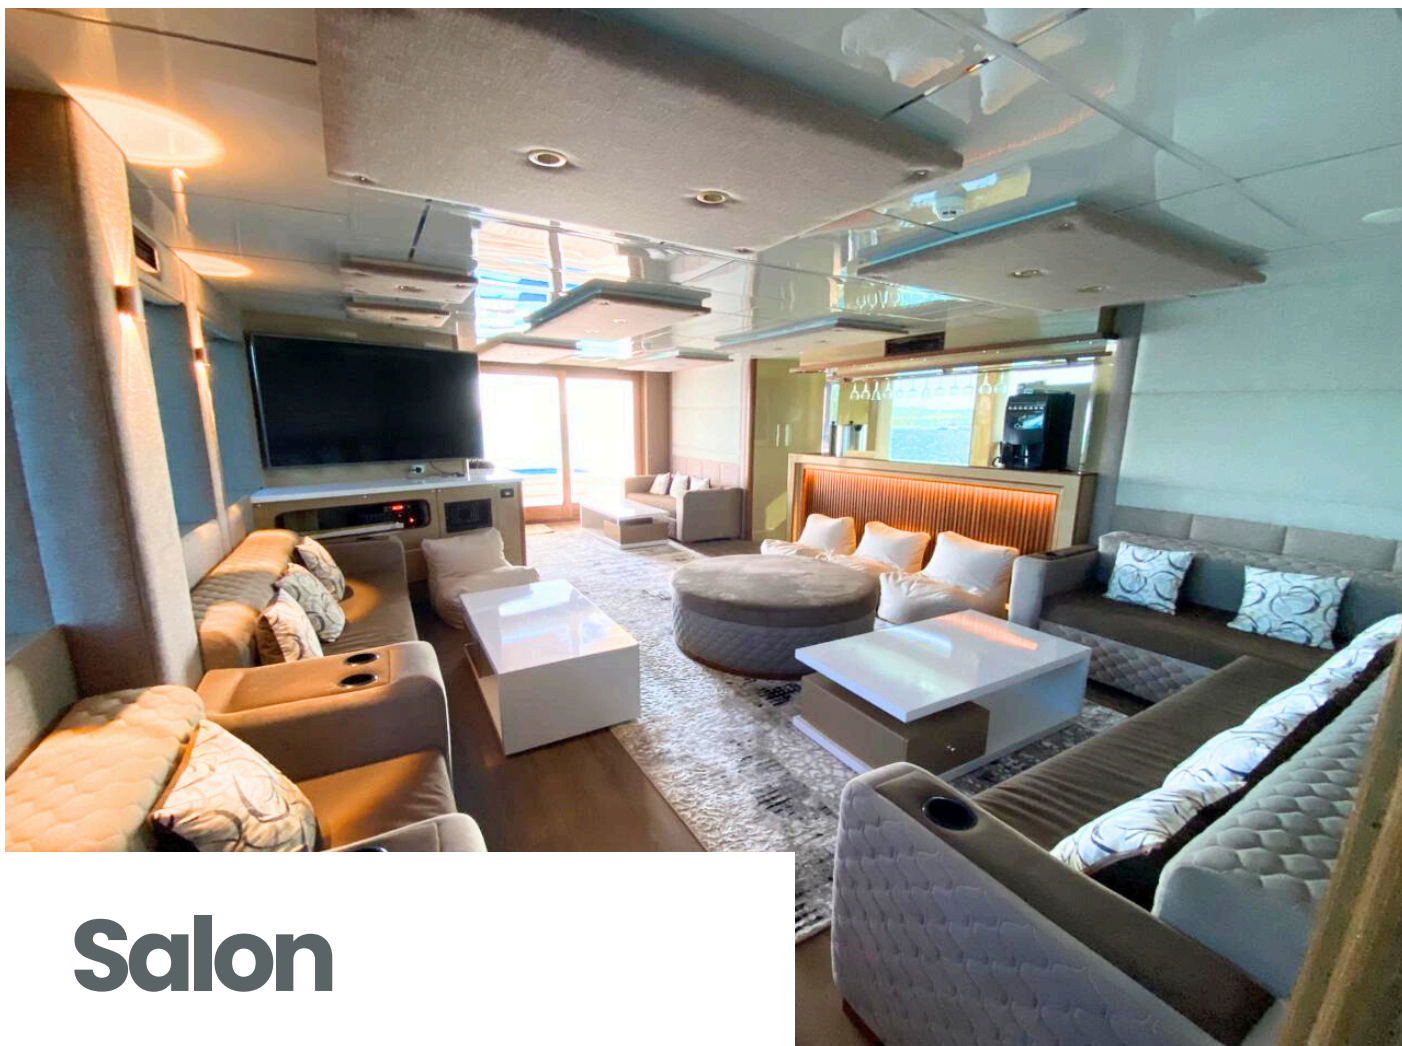

A full-page photograph of four dolphins swimming in clear, deep blue water. The dolphins are captured in various graceful poses, moving from the upper left towards the lower right. Their sleek, silver-grey bodies are highlighted by the sunlight filtering through the water, creating a shimmering effect. The background is a uniform, vibrant blue, emphasizing the dolphins' movement.

# Salon

## A place for encounters and stories

The Cassiopeia Glory salon is the heart of the vessel. By day, it hosts dive briefings and daily programs; in the evening, it becomes the center of social life. A spacious, bright area with comfortable sofas, a bar counter, a large-screen TV, and panoramic sea views through the windows makes it feel like home.

Ideal for discussing daily experiences, playing board games, enjoying a glass of wine, or simply relaxing.

# Covered Deck & Bar

**The most popular  
spot on the vessel**

An ideal place for morning coffee,  
conversations, or daily briefings  
during the voyage.

*Sun, wind, water  
– complete relaxation*

- + **Spacious sun deck:**  
with freshwater jacuzzi
- + **Comfortable seating areas,**  
Grilling option for farewell  
dinners
- + **Open dining area**

## Sun Deck & Jacuzzi

# Dive Area

## | Wind-protected zone

A special feature of the vessel is that the dive area with showers is not located on the main deck, but one level below in an enclosed space. This provides a cleaner, more aesthetic layout and ensures that guests do not feel cold when exiting the water and changing, even during the often windy conditions of the Red Sea.
